## THE EFFICIENT DESKTOP PRINTER FOR WINDOWS USERS

- 16 pages per minute with 600 dpi quality
- 250-sheet closed paper cassette with paper gauge
- Easy connection via USB interface
- Host Based Printing System for MS Windows
- Low noise level (49 dB (A))
- Robust and reliable compact design by F.A. Porsche
- Long-life technology, lowest CPP in its class

If you are looking for a robust, compact and low-noise desktop printer tailored to your individual needs, then Kyocera is the ideal choice with professional and high-performance technology. The FS-720 takes advantage of the excellent performance of your PC to boost output and increase efficiency. Our unique ECOSYS technology delivers high quality at high speeds with a cartridge-free design to minimise running costs. And what's more, with its extremely durable components, the FS-720 ensures you make long-term gains.

# FS-720

## Monochrome A4 Desktop Printer for MS Windows

ECOSYS technology is based on extremely durable components. The drum, developer and fuser of the FS-720 are designed for 100,000 pages. Due to the fact that toner is the only consumable required, ECOLaser printers operate with the lowest cost per page in their class, and they are particularly environmentally friendly.

### Status Monitor

The settings of the printer can be checked visually and amended from the Windows PC via the Status Monitor.

### GENERAL

**Technology:** Kyocera ECOSYS, Laser  
**Engine speed:** Up to 16ppm A4  
**Resolution:** 600 dpi  
**Time to first page:** 11 seconds  
**Warm-up time:** 16 seconds from power off
