Ideal for a small office or workgroup environment that requires both efficiency and productivity, this fast A3 digital copier handles up to 30,000 pages per month with ease. Digital copy functions, such as scan-once-print-many, automatic paper selection, streamline workflow. Low running costs and low environmental impact are built-in. Since there probably aren't a lot of spare hands around, the optional automatic duplex processor can save time by effortlessly copying double-sided originals.

KM-2020

Monochrome A3 Digital Copier

The KM-2020 incorporates extremely durable components that guarantee smooth and reliable operation. The system is designed to last for extreme long hardware maintenance cycles. The drums and developers are designed for 300,000 pages. Thus, the KM-2020 keeps your overall operating costs low and productivity high – at the same time ensuring a minimum impact on the environment.
